## “The Best Apps, Tips, & Tech for Mobile Legal Professionals!”

The dream (or doom) is now a reality – lawyers and legal professionals can work from anywhere with the prevalence of mobile devices. As long as you have a laptop, a smartphone, a tablet, or even a wearable gadget, you can access your documents and communicate with clients and colleagues. In this session, we’ll cover the apps, tips, and techniques you need to know when working remotely on mobile devices. We’ll discuss the risks involved, how to protect the sensitive information you’re carrying, and the best apps for getting things done!
