# 100 DAYS BEFORE TRIAL QUARTERLY WORKSHOP

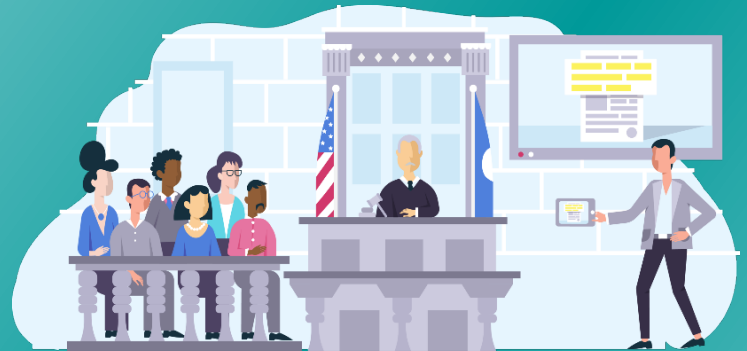

## “100 DAYS BEFORE TRIAL”

Preparation and organization are key to helping win trials. As your case approaches trial, there are many details that need to be addressed and deadlines to meet. Every case should be thoroughly analyzed and prepped at least 100 days before trial.

This 90-minute workshop will provide you with a guide to ensure that all important and necessary elements of trial preparation are addressed (calendaring, depositions, witnesses, subpoenas, evidentiary issues, damages, pretrial motions, expert witness designations, jury instructions, etc.)

This workshop has been approved for 90 minutes of CLE/CCLS credit
